EMISSIONS STANDARD/OPTIONAL EQUIPMENT**CALIFORNIA EMISSIONS SYSTEM** 422

Required code for California Emissions States registration

Optional code for Cross Border States dealer orders

CALIFORNIA EMISSIONS SYSTEM NOT REQUIRED 423

Dealers ordering a vehicle without a California Emissions System and which is being sold/delivered to a California Emissions State dealer are also required to use Code 423 to attest either that the vehicle is not being registered in a California Emissions State or Code 936 is applicable.

Note: In Maine, Rhode Island and Vermont, dealers cannot use Code 423 for customers outside of California Emissions States locations (except Public Service/Emergency Vehicles – Code 936)**CALIFORNIA EMISSION EXEMPTION FOR PUBLIC SERVICE/EMERGENCY VEHICLES** 936

This exemption may only apply in certain California Emissions states. Ordering dealer is responsible to contact the proper state authorities for clarification on qualifying exempted vehicles for registration. Only available on units sold for authorized public service or emergency service use. Must also use Code 423 when ordering.

FEDERAL EMISSIONS STATE DEALER ORDER FOR CALIFORNIA EMISSIONS STATES REGISTRATION 93NFederal Emissions State dealers ordering a California Emissions System (Code 422) are also required to use Code 93N to attest that the vehicle is to be registered in a California Emissions State. **Note:** It is a violation of Federal law for a Federal Emissions State dealer to sell a vehicle with a California Emissions System for registration in a Federal Emissions State, unless the vehicle also meets EPA standards (i.e. 50-state emissions). Not available for stock orders.
